LINE LIGHT

KETRA 60

Distilled to its purest form, Line Lights are precision CNC milled and hand-finished to a fine plainness. Showcasing the wood's natural grain with a thoughtful consideration to proportion, Line Lights feel at home as both a standalone pendant or arranged into a number of striking compositions.

The Ketra Line Light is compatible with Lutron's connected control systems. Ketra offers dynamic, tunable white and full-spectrum colour control, allowing you to customize the mood and ambiance of your space with precision.
