# LABRA

## SCONCE, EXTENDED, NATIVE BY DESIGN

Labra is an exploration of stone as nature's art, hand-chiseled and carefully shaped to perfection by masters in their craft. Honouring the rich materiality of European alabaster, Labra is a wall-mounted LED fixture and ornamental statement piece that stands the test of time. Carved with delicate precision, the solid stone block is perfectly moulded to an intentional inner curve - inspired by the palpable energy felt between two forms, just moments before they touch.

### FINISH
Alabaster, Brass Frame

### SKU
LB.SC2AB.NBD

### MATERIALS
Brass plated steel
Alabaster

### CANOPY
Remote-mount only
No Canopy

### LAMPING
Lumaris Light Strip 10.6 W
728 lumens
1800 - 4000K
CRI > 90
Dimming Protocol Wireless RF/CCX (Lutron Clear Connect-Type X)
9000 lifetime hours

Fixture is low voltage and requires Lutron Controller (not included).
